□ Krieghoff Drilling 30-06 / double 12 bore LICENCE REQUIRED

A fine Krieghoff Neptun Primus drilling 30-06 rifle / double 12 bore combination gun, 25 inch Bohler Antinit-steel barrels fitted with fixed front sight and single leaf folding rear sight, matt sight rib, gold line borders at the breech, the sidelock actions engraved with deer and stag to the left side and a gun dog and hare to the right, surrounded with elaborate scrollwork borders, sprung rifle barrel selector which raises and lowers the folding rear rifle sight, manual safety catch, cocking indicators for the two shotgun barrels, gold washed triggers and engraved steel trigger guard (see footnote) serial number 69611, the figured pistol grip stock and forend relief carved with oak leaves and acorns surrounding the chequered panels, the butt stock with additional later carvings of wild boar behind the raised cheek piece as well as a gun dog with mallards in flight to the right side. Fitted with a Swarovski Habicht 1.25 -4 x 24 scope with covers, with factory-made Krieghoff mounts.

The current vendor sent the gun back to the factory to have the scope mounts made and fitted. In transit, the original horn trigger guard was damaged. Krieghoff subsequently fitted and engraved the blued steel trigger guard as a present on the gun today.

UK RFD OR FIREARMS LICENCE WITH CORRECT 30-06 / 12 BORE COMBINATION REQUIRED TO BUY THIS LOT.
